Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Stephen M. Johnson  
Primary Examiner  
Art Unit: 3641

1. The reply filed on 6/1/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (1) Page 4 of the response is missing. (2) Amendments to the written specification must identify the paragraph to be replaced and then include a replacement paragraph with the appropriate underlining, strike-through, or double bracketing (see 37 CFR 1.121 (b)). Applicant has merely provided replacement pages with appropriate markings and this does not comply (see pages 3 and 5 of response). (3) The rejection on applied art Atchisson in view of Christensen or Allyn has not been addressed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen M. Johnson whose telephone number is 571-272-6877. The examiner can normally be reached on Tuesday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Carone can be reached on 571-272-6873. The fax phone numbers for the organization where this application or proceeding is assigned are 703-872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 800-786-9199.
